June 23, 2014

Dear Sunset Advisory Commission

This letter concerns
on may 22, 2014 the sunset Commission staff released recommendations Concerning DADS Department of aging and disability service and SASSLC require DADS To Close the Austin SASSLC By August 31, 2017 Also five Center to Close. I Frances Esparza have a sister living here in San Antonio TX SASSLC 6711 S New Braunfels SA TX 788222-3009 Patricia Olivarri at the age of nine year old the state placed Patricia in Austin 2-24-1961, with few resources is largely hispanic in SA we all know what kind of burden is placed on parents of children with special needs in additions to these problems the parents of. May face additional economic and communications problems as they struggle to deal with education and social service bureaucracies Patricia March 27, 1978 was Placed in SASSLC in San Antonio TX the first Bus that came from Austin. I am further Concerned by the timing of the ~~[illegible]~~ Announcement Require to Close SAS SLC in Austin and five additional Center to Close. Our sister Patricia is at #674 Rose lane SASSLC

Center. opened it door in march 1978
when 60 residents of Austin State
school were transferred to the new
facility. here in San Antonio it Patricia
Olivarri Home # 674 Rose land, in need
of 24 hour Care you May not [redacted]
personally Know some one with a
disability my sister of nine year old
was in Austin SASSLC she is now
62 year old adult in need of dressing
and in need of feeding herself
mental Retardation unable to
Communitcate verbally SASSLC
help us to keep it open By Supporting
service so people with disabilities
And special Need Can Stay at
SASSLC Centes Directors
Ralph A Henry And Staffing
Chaplain Hendricks for their work
group to meet the needs of
our sister Patricia Olivarri.
family Association meeting
open House in Dec for family
Thank you
Our family Home
for our Sister Patricia

Frances Espinoza

PS
Mom AND DAd pastaway
[redacted] Brother and sister go see Patricia on Weekend

June 23-14

Patricia Olivari age 62
San Antonio State Supported Living Center
March 27, 1978

Our family feel that Patricia Olivarri is well care for at SASSLC Mental Retardation and Seizures. Patricia is happy who need extra help Physical and Occupational therapies and Medical SASSLC Patricia life has enuring. a home like setting for several years professional Care program services for the ~~individuals~~ individuals residing at the Center We visited Patricia on weekend the home is clean Patricia is happy the Staff Always Welcome us SASSLC pride itself on the experience of the QMRPs that coordinate program service for the individuals residing at the Center We need SASSLC open for our sister Patricia and assisting others as needed

Thank you
Frances Esparza
