Your Comments or Concerns

Prevent concrete batch plants near residential homes.

Noise is a form pollution. TCEQ should start including noise control

Your Proposed Solution

New concrete batch plants:

TCEQ should start reviewing site plans, traffic analysis, road conditions, volume of homes in the surrounding area.

Existing concrete batch plants:

Daily site visits, restrict operations hours to be 6:30 am - 8 pm if plant is near residential homes. Better method in measuring dust coming off site. Stricter violations for pollution the surrounding area.
