It's not rocket science but it will require people to give up some of their control.

At a minimum have TCOLE assume all initial peace officer training for every agency in Texas to include DPS. TCOLE can take over control of the facility located at Florence as well as most of the DPS training personnel, build a dormitory and charge each agency tuition to house and train their new hires. This would ensure all officers receive the same initial training no matter where they work.

Then have the state legislature enact some laws or rules regarding personnel conduct that all agencies must comply with as their policies and procedures.

Keep it simple, reduce the cost to the state and improve the accountability for the citizens of Texas.

To request a hard copy of this report, contact our office. The Sunset Commission has scheduled a public hearing on this report for December 6 and 7, 2022. At that time public testimony will be taken. An agenda specifying the hearing date, time, location, and the order of agencies scheduled for testimony will be available on our website as soon as the hearing is posted. You may follow announcements by the Sunset Commission on social media and through information posted on our website.

If you would like to comment on this report, the Sunset Commission would appreciate hearing from you. Your feedback would be most helpful if it includes the following elements:

- Your position in support or opposition for each recommendation in the staff report
- A clear, brief statement of suggested changes, if any, to these recommendations
- A clear, concise summary of any new issues or recommendations not included in the report that you would like the Sunset Commission to consider

If you submit your response by November 30, we can provide this information to the Sunset Commission members before the public hearing. Comments received in response to a staff report are considered public records, and will be posted on the Sunset website and released to the public upon request.
