Your Comments or Concerns

I recently graduated from a 12 month police academy opposed to the normal 22 weeks because of Covid-19 in South Texas. While attending the the police academy ,i was able to hold an outstanding

grade point average and pass all my exam, but unfortunately because of Covid-19 i failed all my exam attempts and was not granted the certification to be a TCOLE certified peace officer.

Your Proposed Solution

I am just writing to inform you that I feel that more exam attempts should be added instead of the three attempts or a short academy for re-testers . Thank you again for taking the time to read this email.
