PUC board members' composition is 100 percent WHITE! 2020 Census: 39.3 percent of Texas total population is Hispanic or Latino in origin. WHITE barely 50 percent. About 10 percent ID are a combined Black/Asian/Native American/all others.] Where's the PUC board's public service calling, to serve ALL TEXANS regardless of constituent skin color? These leaders act WAY TOO MUCH like Private Servants, NOT public ones! So we Texans are, without question, allows the Public Utilities Commission to have 100%, non-Hispanic WHITE composition... controlling a living quality, of 60 percent of Texas' TOTAL population that happens to be NON-WHITE. Some Texans may argue this Commission's missteps are conducted by....RACIST PRIVATE SERVANTS with White Skin!

Your Proposed Solution

- 1) Terminate the PUC!
- 2) Reinststate the PUC, mandating a racial mix of Whites, Blacks, Women, at least one Asian and or Native American as member.

Having a least one Democrat member on the Commission be helpful, too!

Sadly, most Texas Voters LOVE ALL-WHITE MEN (preferably, Republican) TO CONTROL THEM!

Reminds of how "light-skinned" COMMUNIST Russia/China "does" things.

[ERCOT—still has 100 percent WHITE-ID membership! PUC board members' composition, also 100 percent WHITE! 2020 Census: 39.3 percent of Texas total population is Hispanic or Latino in origin. WHITE barely 50 percent. About 10 percent ID are a combined Black/Asian/Native American/all others.]

ERCOT/PUC leaders act WAY TOO MUCH like Private Servants, NOT public ones! So we Texans are, without question, allow the two boards to have 100%, non-Hispanic WHITE compositions... controlling a living quality, of 60 percent of Texas' TOTAL population that happens to be NON-WHITE. Some Texans may argue these two boards' missteps are conducted by....RACIST PRIVATE SERVANTS with White Skin!

Your Proposed Solution

1. Sunset ERCOT, terminate its existence... or
2. Reinstate ERCOT, with a mix of Whites, Blacks, Women, at least one Asian and or Native American as member.

Having a least one Democrat member be helpful, too!
