Your Comments or Concerns

Create a task force to reduce redundancy and streamline standards for the TRS childcare quality rating system.

Remove the TRS Pre-K partnerships from TRS. It's doesn't work and the funding should go back to TRS CCS.

Your Proposed Solution

Task force should be comprised with a selection of childcare center / home owners, directors, TRS mentors, TRS assessors, CCL so that we can come up with a plan for TRS and make it obtainable and reasonable for all parties involved.

Require ISDs to adhere to the laws and requirements to partner with licensed childcare centers, they are circumventing childcare centers to place children in public schools. If the ISDs continue to circumvent. Then work to eliminate property taxes for childcare centers for the ISD portion of the taxes.
