Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I strongly disapprove the proposal to disband the Texas Youth Camp Advisory Committee. This committee is an essential link between the many camps in Texas and the DSHS. There have been many times when the meetings between the committee and the DSHS staff have helped shape public policy which strengthened camps and better protected the public.

Any Alternative or New Recommendations on This Agency: Maintain the committee's standing.

My Comment Will Be Made Public: I agree
