Your Comments About the Staff Report, Including Recommendations Supported or

Opposed: I am apposed to closing down Texas State Supported Living Centers.

My bosses son is living in one in Richmond TX. He has started to recover into a "normal" life setting that is safe and secure at all time for him. He is well taken care, monitored by Dr and staff 24/7. If you start closing down the State Supported Living Centers you will be doing a injustice to the ones that need the help the most. You will be putting peoples lives at risk, not to mention their health. I have been in the medical field for over 20 years, if the State of Texas lets this happen then what is NEXT, Shutting down the Nursing homes, putting more people out on the streets as homeless, unhealthy, deranged, and unmonitored when they are now in a safe and secure facility.

Any Alternative or New Recommendations on This Agency: There is no Alternative for me to see. If the STATE of TEXAS is allowed to do this then this is a state that I NO LONGER WANT TO LIVE IN. They are violating peoples rights of choice and freedom.

My Comment Will Be Made Public: I agree
