Your Comments About the Staff Report, Including Recommendations Supported or  
Opposed: I believe that the current licensing that we have in place & have had in place for a long damn time, is the only thing that makes being a Plumber in the State of Texas a great thing! The T.S.B.P.E. & the way it operates is what separates us (PLUMBERS) from being a bunch of painters, sheetrockers or roofers. I'm damn proud of the R.M.P. I hold & sweat, bled & shed tears along the way to get it! I've been in the trade for 20 years & I'll be damned if some group from California wants to come in change things to better suit what They are trying to do! If they don't like the way things are here they should stay the hell away. T

Any Alternative or New Recommendations on This Agency: Keep things the way they are.
