Your Comments About the Staff Report, Including Recommendations Supported or Opposed: The abolishment of our Licensed Breeder Program as well as any breeder of any animal or Animal owners is a not good at all for the animals.

We must make every effort know to mankind to protect these precious fur babies and the females do to over breeding and animal cruelty. So many breeders are cruel and do not care for their animals. Stricter laws and reinforcements needs to be done. There is just no room for error. One error is a life lost! That's too many!

Any Alternative or New Recommendations on This Agency: Perhaps hire volunteers that will go to each property owners and check on the welfare of all animals breed or not. This will stop the fighting of animals and teach animal owners the right way to do things.
