Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I totally oppose this. I am offended! Not only do I carry my teaching certificate I do have my Instructors license. This is essential!
Education, needs education and teaching styles and techniques that need to be learned so that then can be Instructed to students. This is a skill that needs to be taught and taking it away is ridiculous. Instructors have passion in what they do and we do not get paid enough for it so it comes from our heart. Not only have I but my team puts endless hours into what we do and to take it away and put it in the hands of any license personnel is devastating. Please reconsider this and just leave it alone!!!! To much in the world is being changed.

Any Alternative or New Recommendations on This Agency: LEAVE ALONE!!!!
