Your Comments About the Staff Report, Including Recommendations Supported or Opposed: i am opposed to Texas Administrative code section 217.3 i have worked for the past 10 years on this project with my kids now that it is done i can't register it my daughters 10 an 8 year old at the time now ten years later the car is finally complete an cannot use it this this rulings just broke there hearts now they lost faith on working with cars this is why i am opposed to the Texas Administrative Code section 217.3

Any Alternative or New Recommendations on This Agency: My recommendation would be to allow the registration for dune buggies that pass a safety inspection an or put them in a separate category

My Comment Will Be Made Public: I agree
