Subject: TDLR Sunset Report

Good afternoon,

I work for the Texas Conservative Coalition Research Institute (TCCRI), an Austin-based public policy research organization.

On July 30 at 10am, our Free Enterprise & Government Regulation Task Force will be meeting (virtually) to discuss the Texas Department of Licensing and Regulation (TDLR) Sunset report. Is there someone at Sunset who would be able to take 15-20 minutes to discuss the staff report and recommendations to the Legislature? Senator Hancock, and Representatives Morrison, King, and Noble co-chair our Task Force, and they will be on the call along with other invited legislators and their staffs.

We'll also be making a staff presentation and inviting a speaker from the Governor's Office to discuss the recent license suspensions.

Please let me know if someone from Sunset would be available to participate and I'd be happy to talk more about the details.

Thank you so much.

Tom Aldred
