Subject: Texas Board of PT Examiners

To whom it may concern,

I'm concerned about the proposal to merge physical therapy licensing into the Texas Department of Licensing and Regulation.

This will not save money.

This will put a doctoring profession under oversight of non-doctors who are removed from my profession.

This could result in turf wars and decrease my ability to serve my patients.

I hope the correct choice of retaining the Texas Board of PT Examiners is made.

Dr. Nicholas Allen, PT, DPT
