Your Comments About the Staff Report, Including Recommendations Supported or  
Opposed: I disagree with the Texas Sunset Advisory Commission staff recommendation to abolish the Texas Board  
of Professional Geoscientists and licensed P.G.s. This required skill set is not available in any of the other  
professionals that I utilize for projects.

Any Alternative or New Recommendations on This Agency: Retain the Texas Board of Professional Geoscientists  
and continue to license Professional Geoscientists.

My Comment Will Be Made Public: I agree
