Agency: TEXAS STATE BOARD PLUMBING EXAMINERS

First Name: Pleas

Last Name: Anderson

Title: president

Organization you are affiliated with: advantage plumbing services

Email: eric@advplumb.com

City: Seguin

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: The texas board of plumbing examiners needs to be removed. It is just another government agency that is an unnecessary cost to the state. All other trades are regulated by the TDLR and so can plumbers. There is no reason to have this licensing board. Please sunset the board. The only people interested in keeping this board alive is the business that have pretty much a monopoly on the continuing ed classes and prep courses. Without the board their business would be much less

Any Alternative or New Recommendations on This Agency: None, Change over plumbing licensing to the TDLR.

My Comment Will Be Made Public: I agree
