Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: I oppose the idea of removing the Instructor license. In the salon industry, we deal with many technical skills, many chemicals, and sanitation protocols. In today's world and the demands of the public for extreme color applications, it would be a HUGE mistake to not require the instructors to not be licensed. This is an insult to a multi billion dollar industry. To cheapen our industry by lowering standards is completely unacceptable.
Especially during a time when sanitation protocols are at a all time high.

Any Alternative or New Recommendations on This Agency: Keep the instructor license, and add more instruction on sanitation.
