Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

- 1- I do NOT agree with the recommendation for decreasing the number of the members of the TSBDE , and recommends keeping the dentist-members number to be 60% of the boards members.
- 2- I do NOT agree with the recommendation for discontinuing the dental assistants certification by the TSDBE

Any Alternative or New Recommendations on This Agency:

- 1- I do NOT agree with the recommendation for decreasing the number of the members of the TSBDE , and recommends keeping the dentist-members number to be 60% of the boards members. The dentist members can help ensure the regulations have positive impact on public health.
- 2- I do NOT agree with the recommendation for discontinuing the dental assistants certification by the TSDBE. The state board is regulating the limitations of the duties for the dental assistants while ensuring they are within a competent level to be an auxiliary in the dental office to provide a better safer treatment for the patient
