Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please leave barbers and cosmetologist separate due to different clients services also there is not enough hours required to hours to add to the program.

Any Alternative or New Recommendations on This Agency: Every license should be separated for hair facials or nails and leave that at 1000 hours and hair should increase a full cosmetology license to 1500. Instructors are highly need to continue to educate students. With out proper teaching the general public in extreme danger and also risking the credibility of stylists. So my recommendation is to continue to allow instructor licenses.

My Comment Will Be Made Public: I agree
