Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: The report does not have honest data. It compares apple to oranges on costs. there is a need for centers.
The private sector is not monitored to the extent that centers are. Our services are all encompassing regardless of
cost. No limit set on dental . no limit set on a needed service.they cannot say no to a need. some may need to
consolidate but do not compare the service to the community

Any Alternative or New Recommendations on This Agency: Fund community better but leave schools that are
newer alone

My Comment Will Be Made Public: I agree
