Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I'm opposed to the Department of State Health Services that the Texas State Board of Examiners being reconstituted as advisory committees at the Texas Department of Licensing and Regulation. These titles would be greater served being governed by other Counseling and Therapeutic professionals. Their are many details that would be difficult to regulate by those who don't have similar training and experiences. This is due to our department being considered a healthcare professional and needs to the expertise of other with the same knowledge.

Any Alternative or New Recommendations on This Agency: Leave the LPC, LMFT, and LCSW in a separate independent department.

My Comment Will Be Made Public: I agree
