Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I do not think that there should be any puppy mills, any kitten mills, any backyard breeders. Dogs and cats know how to make babies on their own. So many innocent animals die every year because there are too many of them. If we are going to allow it, they can have 1 litter only and must live indoors in a nice room. Then they must be fixed and let a loving family adopt them

Any Alternative or New Recommendations on This Agency:

I didn't even read it, I don't agree with animal mills or factory farms of any kind
