Your Comments About the Staff Report, Including Recommendations Supported or
Opposed:
I opposed to sunsetting the Cosmetology and Barber Instructor Licenses. How will Stylist and Barbers learn to teach
without attending school and passing a state exam? Who will teach the students?
Why is the State of Texas wanting to lower the standards of our industry? You have lowered the hours and now you
want to eliminate licensing.
When is this going to stop, we need to raise the standards not lower them.

Any Alternative or New Recommendations on This Agency: Raise standards not lower them
