Your Comments About the Staff Report, Including Recommendations Supported or

Opposed: I would like to suggest that the Sunset Board recommend that one of the state positions on the board be allowed for a retired state employee.

You have three members that are no employees, and three that are current state employees, but you have no retirees on the board, and the actions that the board takes certainly affects our retired employees, and they should be represented on the board.

Any Alternative or New Recommendations on This Agency: Allow for a state retiree on the board.

My Comment Will Be Made Public: I agree
