Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I oppose removing any part of the Plumbing exam. I oppose the plumbing board be put under TDLR. I oppose anything that lessen the plumbing rules and laws. I know several that are under TDLR and if TDLR was like TSBPE they wouldn't have a license, because they haven't been trained properly. I am a registered technician for HVAC, I have no knowledge on how to work on HVAC.

Any Alternative or New Recommendations on This Agency: Remove the hiring freeze and allow TSBPE to keep most of the money received from our license fees

My Comment Will Be Made Public: I agree
