Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please do not open Texas for unsupervised regulations for puppy mills, or kitty mills. We need for all our animals to be safe, vet cared for, clean facilities, exercise areas. Not living in cages 24X7 and having babies just as soon as this litter is 6 weeks old. Sometimes they don't wait that long. If anything we need stronger laws in regard to animal safety and health.

Any Alternative or New Recommendations on This Agency: I have nothing else to add.
