Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Allow the Texas State Board of Examiners of Professional Counselors to continue as a regulatory group (instead of putting counselors under the Texas Department of Licensure and Regulation).

Any Alternative or New Recommendations on This Agency: Allow the Texas Department of State Health Services to allocate funds generated by licensing fees to support the regulatory functions of the Texas State Board of Examiners of Professional Counselors as well as the boards that regulate Licensed Marriage and Family Therapists and Social Workers.
