Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I was encouraged to see the recommendation to close this agency and in awe of the gulf between the perspective of the self-serving bureaucrats of the agency and your research team.

This agency is unnecessary for the successful and safe practice of geoscience
- and in many ways discouraging in its existence.

Thank you. Thank you. Thank you.

Any Alternative or New Recommendations on This Agency: Fire the TBPG ASAP and we can GODTR (get on down the road).
