Your Comments About the Staff Report, Including Recommendations Supported or  
Opposed:

I favor the Sunset review and recommendations! I believe the plumbers and industry would benefit being regulated under TDLR.

Our industry is suffering and there has been a huge drop in the pool of licensed plumbers over the years. The board has created so many hoops to jump through to become licensed... this has NOT created a higher quality plumber, but just discouraged many and chopped the legs out from hiring companies over time that strive to follow board rules and regulations.

Any Alternative or New Recommendations on This Agency:
