Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am a parent of a student athlete and a dance team member. Both of my children are required by the school district to have athletic physicals and both have had ECGs with their physicals. These tests should be required.

These children put an enormous amount of stress on their heart every single day with the physical activity required by them for their school functions.

THESE TESTS SAVE LIVES. No parent should have to bury their child.

Any Alternative or New Recommendations on This Agency: This agency should mandate that every athletic physical is not complete unless it is accompanied by an EKG.

My Comment Will Be Made Public: I agree
