Subject: Public Input Form for Agencies Under Review (Public/After Publication)

Agency: STATE BOARD DENTAL EXAMINERS SBDE

First Name: Barbara

Last Name: Blanchette

Title: CEO. C.D.T.

Organization you are affiliated with: B&R Dental Laboratory

Email:

City: San Antonio

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

The Sunset staff report recommended discontinue of the Dental Laboratory Certification Council I strongly disagree with. Texas state laboratories pay to be licensed and reviewed by the Texas State Board And the Dental Laboratory Certification Council and is the only advocate dental laboratories have.The DLCC is the laboratories only voice to the board and Dentist through out the industry on new trends and technical questions in our industry. I also,strongly disagree with doing away with the RDA certificate program.Certification and continue education can only be positive for public well being.

Any Alternative or New Recommendations on This Agency: The three volunteers on the Dental Laboratory Certification Council are Certified Dental Laboratory dental technicians, Dental lab owners and are usually on top of new trends and technical aspects of this fast pace industry. I think that their talents could be put to better use then just review of applications for ownership of a lab.I wish the Dental board would take into their consideration and recommendations about trends and new standards for dental laboratories.

My Comment Will Be Made Public: I agree
