Your Comments About the Staff Report, Including Recommendations Supported or Opposed: People should have thought about the long term uses and effects of this on themselves as well as their children before voting in the 80's, there are several things going on today that will have long term long lasting effects on our children as well.

Any Alternative or New Recommendations on This Agency: Continue to run as cost effectively as you can and try to come up with ideas that will help with overhead costs.

My Comment Will Be Made Public: I agree
