State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Over breeding, lack of care - typical of any puppy mill. Millions of animals are killed because of over population!! Breeders must be held accountable- humane treatment, veterinary care, proper shelter(get off wire)!! It is time to stop puppy mills!!

Any Alternative or New Recommendations on This Agency: Stop puppy mills. Dr. Jeff Young(DVM) has taken care of dogs(and other animals) from puppy mills! The horrors of lack of treatment and constant breeding is so abusive - and Dr. Young sees this all the time (and so do vets from all over the states) You can't justify puppy mills!!

My Comment Will Be Made Public: I agree
