Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am opposed to doing away with this. Puppy mills will be everywhere! As it is breeders are over breeding, so many animals end up in shelters. We must maintain some form of policing for these breeders. Most are NOT in it for the improvement of the breed. It's about money for them. They must have appropriate policing otherwise the animals pay....with their health and lives.

Any Alternative or New Recommendations on This Agency: N/A
