Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Recommend that TDMV be reduced in legislative power resulting from rules making and make them furnish detailed analysis of reasons for each rule change. They have revoked titles to "dune buggies" to be street legal. This after years of buggies being driven on the street with a safety record way and above that of other vehicles.

Any Alternative or New Recommendations on This Agency: Reduce rule making power to be submitted to legislature for final law making after public input.

My Comment Will Be Made Public: I agree
