Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I DO NOT support abolishing the instructor license. If this license is eliminated, thousands across Texas will be unemployed. Furthermore, who will teach the students, who are in high school, community colleges and private schools. Instructor license are needed to guarantee students quality education. There are many programs under the cosmetology umbrella and all need instructors to teach the program!

Any Alternative or New Recommendations on This Agency: The barber and cosmetology license should be combine.

My Comment Will Be Made Public: I agree
