Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I support the continuation of the Texas Licensed Breeders Program.

We need to do away with "Puppy Mills" and not do anything that might encourage them. We have an overabundance of unwanted and miss treated animals in our shelters and rescues. To me it is heartbreaking what these fur babies go through. To me they aren't "just animals". I also think there is a human toll to this. I feel for the people with Animal Services that end up dealing with all this.

Any Alternative or New Recommendations on This Agency: Just to continue this program.
