Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Regulating Ignition Interlock Devices is an ABSOLUTE to keep our communities safe!!! Without regulation, our streets will be compromised significantly. Being part of Drug Court has made me realize how important Ignition Interlock Devices are to keep all of us safe from those who want to drink and drive.

Any Alternative or New Recommendations on This Agency: Ignition Interlock devices need to be monitored by an agency to keep our streets safe.
