Your Comments About the Staff Report, Including Recommendations Supported or Opposed: The TSBSWE is not operating effectively or efficiently under HHSC.

It has been my experience that getting anything done with the TSBSWE under HHSC related to licensure or supervision takes an absurdly long time. The TSBSWE must have more money/access to more funds in order to operate effectively and efficiently.

Any Alternative or New Recommendations on This Agency: The BHEC should be made up of nine voting members-- one public and one professional from each of the four boards, with a final public member appointed by the governor.

My Comment Will Be Made Public: I agree
