Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I support the Texas Board of Physical Therapy Examiners to join the national licensure compact to allow transfer of PT and PTA licenses across state borders without having to undergo extensive procedural work-up.

I additionally oppose the recommendation of stripping the CCAP away from the TPTA and Texas Board of Physical Therapy Examiners. Clinical Education to students entering the field of physical therapy should be structured and instructed by licensed physical therapists as opposed those without a physical therapy background or education.

Any Alternative or New Recommendations on This Agency: n/a
