Subject: Public Input Form for Agencies Under Review (Public/After Publication)

Agency: STATE BOARD VETERINARY MEDICAL EXAMINERS

First Name: Bruce

Last Name: Buenger

Title: Veterinarian

Organization you are affiliated with: Washington Animal Clinic

Email: brucebuenger@washingtonanimalclinic.com

City: Brenham

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: I am opposed to the proposal that veterinarians must report into an online data base for use of scheduled
drugs. There is no evidence that a problem exists under current protocol. We maintain logs at our clinic for all
scheduled drug use so your asking busy veterinarians to hire extra staff to repeat what is a proven current system

Any Alternative or New Recommendations on This Agency: I would ask that you leave current protocol unchanged

My Comment Will Be Made Public: I agree
