Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I would like to Support the Texas Board of Physical Therapy join the national Licensure Compact. This arrangement will allow for PT's and PTA's to move from state-to-state without having a lot of impediments when practicing in other state, such as traveling to other states with a team or company.

I would to OPPOSE stripping the CCPA from the TPTA & the TBPTE. There are 109 doctoral trained pT professionals representing 22 distinct medical speciality areas using a double-blind professional review process. The CCPA continues to ensure that the public is protected using the CCAP making sure that PT's are up to standard to provide the best care possible to their patients.
