Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: I oppose consolidation of the chiropractic profession under TDLR.

Although the medical profession does not respect my profession, we have extensive education in the health field often using the same textbooks as medical students. This complex profession needs its own trained board who can understand and regulate it.

Any Alternative or New Recommendations on This Agency: Keep the Texas Board of Chiropractic Examiners as it is.

My Comment Will Be Made Public: I agree
