Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: I am opposing dissolving the cosmetology instructors license. There is a necessity for instructors license
the extra time and information required to obtain the instructors license assists in creating more professional
Instructors who in turn create more professional Cosmetologists.
Which is a need right now and moving forward. Cosmetologists deal with the public and should be tightening not
loosening our expectations in this industry.

Any Alternative or New Recommendations on This Agency: Maintain the requirements and the existence of a
Cosmetology Instructors License, Create a MakeUp Application License, and stop finding ways to dissolve the
credibility of our Industry.

My Comment Will Be Made Public: I agree
