Your Comments or Concerns: Licensing for Professional Counselors must continue to be governed by the Texas State Board of Examiners of Professional Counselors to ensure that all LPC's are well trained and adhere to high professional standards. The impact of LPC's on the health and safety of the clients they serve mandates the oversight of an independent regulatory board that includes experienced licensed professionals.

Your Proposed Solution: Licensing for Professional Counselors to continue to be governed by the Texas State Board of Examiners of Professional Counselors.
