Your Comments About the Staff Report, Including Recommendations Supported or Opposed: The counseling profession has so many ethics that often need to be analyzed by a board of people in our profession. These issues are not black and white and we deserve a board of our peers to review them and make informed decisions. Removing the LPC board would hurt our profession and could allow many oversights to occur. Please don't put our clients and our profession at risk in this way.

Any Alternative or New Recommendations on This Agency: no
