Subject: Re: Sunset Review of the Texas Commission on Environmental Quality and On-sit...

I won't be able to be at the meeting. Please tell the Sunset Commission I think it's a shame they totally ignore the wishes of the residents of Texas, who are the victims of TCEQ, in deference to federal entities such as the EPA. We requested that the TCEQ Board be elected rather than appointed by the governor, who favors business to the detriment of the environment.

Thank you.
