Your Comments About the Staff Report, Including Recommendations Supported or Opposed: It is critical that a retired state employee be elected to the board to adequately represent the group. Only a state employee knows and understands the low pay we received for our civil service work to the citizens of the state. We chose this service with the understanding that later our retirement would be there since we elected to be public servants for the state as opposed to working private employment.

Any Alternative or New Recommendations on This Agency: We need a 13th payment added

My Comment Will Be Made Public: I agree
