Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I oppose the recommendations to abolish the Texas Licensed Breeders Programs. We need regulations set for the breeding farms to protect animals from neglect/abuse/disease - just so their breeder can make a profit.

Any Alternative or New Recommendations on This Agency: Strict guidelines should always be put in place for any breeder for the protection of the animals and should have strict penalties for the breeders that do not follow those guidelines.

My Comment Will Be Made Public: I agree
