Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I highly oppose the disposal of the license for Instruction. We just keep tearing down our industry. If a person is not trained properly to teach, instruct and deal with others we will have mass confusion. The state has already lowered hours now you want anyone to teach. Ask yourselves this would you let anyone teach your children at public school?

Any Alternative or New Recommendations on This Agency: I recommend the license stay as is, if it is necessary for some unknown reason to do this then just lower the hours to 600.

My Comment Will Be Made Public: I agree
